1. What is your connection or interest in this case? For example, are you a shareholder of the company that is the subject of this pending proceeding? If this section must be completed. Attach additional information if necessary.

upstate SC resident

2. Please give a concise statement of your protest. This section must be completed. Attach additional information if necessary.

I don't want to see the destruction of this beautiful area. I have friends + family who live in this area. I'm concerned about health issues for them not to mention the value of their homes and land decreasing. It would cause a decline in tourism and economy for this area and the state.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony?

NO
